HATHRAS-204101, U.P., INDIA

Phone no. 9837008701

Material Safety Data Sheet

Section 1: Identification

PRODUCT NAME: Color Powder

MANUFACTURER'S NAME: R.B. DYECHEM PVT. LTD.

ADDRESS Vidhya Bhawan,
Ghass Mandi,
HATHRAS - 204101

CONTACT NO. 09837008701

Section 2: Hazard Identification

Potential Health Effects

- **Oral Exposure**
Swallowing this material is not likely to be harmful.
- **Dermal Exposure**
Unlikely to cause skin irritation or injury. In case of irritation wash with mild soap and water and consult physician.
- **Inhalation Exposure**
This product is not meant for inhalation. Breathing small amounts of this material is unlikely to be harmful.
- **Eye Exposure**
This product may cause slight eye irritation.

Section 3: Composition/Information on Ingredients

Components Corn Starch Powder
Food Color - C.I. 16255

Chemical Abstracts Service (CAS) number: N/A

Section 4: First-Aid Measures

Oral Exposures

First aid is not normally required. If symptoms develop, seek medical attention.

Dermal Exposure

First aid is not normally required. If symptoms develop, seek medical attention.

Inhalation Exposure

If symptoms develop, move to fresh air. If breathing becomes difficult, call physician.

Eye Exposure

If symptoms develop, flush eyes gently with water for at least 15 minutes while holding eyelids apart; seek medical attention.

Section 5: Fire-Fighting Measures

Flash Point:

N/A

Explosive Limit:

N/A

Extinguishing Media:

Water spray, carbon dioxide, dry chemical powder, or appropriate foam.

Special Firefighting Procedures:

No special firefighting equipment required. Use normal firefighting equipment.

Hazardous combustion products:

None

Section 6: Accidental Release Measures

Cleanup procedures in case of spill

- Wear protective equipment.
- Sweep up the material, place in suitable container for waste disposal.
- Ventilate area and wash spill site after material pick up is complete.
- Waste disposal should be carried out according to local or state regulations.

Section 7: Handling and Storage

Ventilation

Local or General Ventilation is recommended.

Respiration

Refer section 8.

Work Practices

Handling and/or processing this product may produce airborne dust. Work in manner which minimizes the generation of dust of spill.

Section 8: Exposure Controls/Personal Protection

Eye Protection	Not normally required. Irritation may occur as with any dust entering the eye- wash out immediately if it occurs.
Respiratory Protection	Not normally required but a mask or bandana can be worn if regular exposure will occur.
Ventilation	Use general ventilation
Protective Gloves	Not required
Engineering control	No special Ventilation required
Exposure Controls	None
Work/Hygienic Practices	Use good personal hygiene when handling this product. Wash hand before smoking and using toilet
Other protective clothing or equipment	Not required

Section 9: Physical and Chemical Properties

Appearance	Red
Physical State	Powder
Odor	odorless
Solubility	Insoluble
Burning rate	Not Applicable
Vapor pressure	Not Applicable
Vapor density	Not Applicable
PH	Not Applicable
Upper flammability limit	Not Applicable
Lower flammability limit	Not Applicable
Melting point/freezing point	Not Applicable
Evaporation rate	Not Applicable
Flammability Class	Not Applicable

Section 10: Stability and Reactivity

Chemical Stability:	Stable
Hazardous Decomposition:	None
Incompatibility:	Avoid Strong acids, bases, and oxidizing agents
Possibility of Hazardous Reactions	Will not occur

Section 11: Toxicological Information

Contains no material that are considered Carcinogenic by NTP or OSHA

Section 12: Ecological Information

Observe all federal, state, and local environmental regulation.

Section 13: Disposal Considerations

Dispose of with other normal, solid waste and in accordance with Federal State and Local Regulations

Section 14: Transport Information

Shipping of this material can be done by any mode
